How to Make a Pint of the Best Cough Syrup and Save \$2

This recipe for home-made cough remedy is used and prized in thousands of homes in the United States, and Canada. It costs little, but it is splendid. Even whooping cough yields to it quickly.

Mix one pint of granulated sugar and one-half pint of warm water and stir for two minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a pint bottle and add the Sugar Syrup. This makes more and better cough syrup than you could buy ready-made for \$2.50. Take a teasponful every one, two or three hours.

spoonful every one, two or three hours.

This simple remedy will usually stop a deep-seated cough in loss than twenty-four hours. It tones up the appetite, has a pleasant taste and is slightly laxative, which is helpful. You will also find it splendid for bronchial troubles, lung and throat affections, asthma, etc.

This Pinex and Sugar Syrup recipe is so popular that it is often imitated, though never successfully. In trying it, use only the pure, genuine Pinex, which contains guiaice and all the natural healing elements of Norwegian white pine extract, in concentrated compound.

A guarantee of absolute satisfaction, for money refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

SIX ARGUMENTS TO BE MADE.

Lynchburg Local Option Contest to Be Called Up Thursday.

[Special to The Times-Dispatch.]
Lynchburg, Va., February 11.—Doubt was expressed to-day over the chance of the arguments in the local option contest being finished Thursday, when it is called for hearing in the Corporation Court. It is expected that there will be six arguments, and if this proves to be true, it seems almost im possible to hear all of these in the two sessions Thursday.

Unless the program is changed later.

Unless the program is changed later, the "drys," who are contesting the election, will be represented in the arguments by Judge A. A. Phlegar, of Christiansburg, and George E. Caskle and Thomas Whitehead, Jr., while the "wets" will be represented in the arguments by Randolph Harrison, J. Tinsley Coleman and Fred Harper. Leon Goodman, of counsel for the "wets," does not expect to participate in the argument of the case.

It is probable that the Corporation Court room will be crowded during the arguments, for everybody interested in the contest will be interested in statements of counsel on both sides.
